HUMBER RESCUE 35 YEARS OF LIFESAVING LEGACY

For an impressive 35 years, Humber Rescue has been a cornerstone of the community, heroically navigating the challenging waters of the Humber Estuary. Unique in our approach, we operate independently, not as part of the RNLI, a distinction we share with about a quarter of all UK lifeboat services. This independence is a badge of honour, signifying our reliance on public generosity, the relentless dedication of our volunteers, and our successful fundraising endeavours to fuel our mission.

Our essence lies in making a significant difference, buoyed by the community's unwavering faith in our cause. When crises strike, we're at the forefront, offering not just rescue but hope and, at times, solace to those grappling with adversity. The backbone of our efforts is the support from our community and the valour of our volunteers, who are ever-ready to brave any challenge, regardless of the time or the emotional and physical demands it entails.

Spanning a vast expanse of 540 square kilometres across the Humber Estuary, our area of operation is a constant reminder of the unpredictable and often perilous nature of these waters. Over these three and a half decades, we've been called upon almost 3,000 times, a clear indicator of the critical need for our services and the steadfast commitment of our team.

Sustaining our operations requires close to £70,000 each year, a sum that covers everything from the maintenance of our lifeboat and fuel costs to the training of our courageous crew, ensuring we remain at the ready for any emergency. As we commemorate our 35th anniversary, we extend a heartfelt invitation for you to become an integral part of our journey. Your support transcends mere financial assistance; it embeds you deeply in our life-saving mission, making you a partner in every sense of the word. With every life we save, you're right there with us, sharing in the hope and courage we bring to those in need.

Your contributions are the lifeline that keeps us operational, ensuring that when the call for help comes, we're prepared to respond, to rescue, and to stand by those in their most challenging moments. Together, we have the power to continue this noble work, making a difference one life, one rescue at a time. Join us in this vital mission - your support not only sustains us but also kindles the light of hope in countless lives.
